

WELLA KOLESTON PERMANENT COLOUR

HAVE YOU TRIED THE REVOLUTIONARY 5 TIMES SALON STAR AWARD WINNER, KOLESTON PERFECT BY WELLA.....?

Wella created its first ever cream colour in the 1950's which has now developed into their most advanced technology to reduce the risk of developing an allergy in covering those unwanted greys. Koleston sets the standard of reducing the risk of allergies and sets the highest standard in creativity when enhancing hair colour in today's market.

RICH, SENSUAL AND VOLUPTUOUS COLOUR

Koleston has 160 shades to choose from ensuring your stylist can create a colour that is exclusive to you. Due to the high amount of shades available, you can think it and we'll create it.

TRILUXIV Technology which is incorporated in all shades is going to give you intense, rich and vibrant colour that is long lasting.

Guys N Dolls moved over to a wella stockist 2 years ago and we just haven't looked back. We love it, our customers love it and we definitely know you'll love it.
